

OUR PRODUCTS

WE ANTICIPATE MARKET NEEDS AND OFFER A FULL RANGE FOR EACH APPLICATION.

Tapered roller bearings ■ Needle roller bearings ■ Wheel end hub units
Ball bearings ■ Cylindrical roller bearings ■ Pass car bearing kits

EVERY YEAR, FERSA LAUNCHES MORE THAN 200 NEW STANDARD AND SPECIAL BEARINGS AND ASSEMBLIES.

COMMERCIAL VEHICLE EXPERTS

The most complete range for major heavy vehicle applications.

As experts in bearings, we can offer specific bearing designs according to their final application: gearbox, differential and wheel ends.

We manufacture bearings for American, Asian and European vehicles.

Trucks

We provide repair parts for major brands, such as Mercedes Benz, Volvo, DAF, Freightliner and Kenworth, among others.

Trailers

We cover 90% of repair parts for BPW, Schmitz-Carobull and Fruehauf trailers, among others.

Bus and coaches

We are official supplier of wheel components for Bus Rapid Transit (BRT); one of the world's most demanding high capacity transport system.

AUTOMOTIVE AND OTHER INDUSTRIES

Standard and special bearings for all types of applications and vehicles.

With our flexibility in the design and production of special bearings, we meet the specific requirements of our customers for the best solution of each application.

Light vehicles ■ Pick-ups ■ Agriculture ■ Hydraulic systems
Mining ■ Public works and elevation

DIFFERENT DEMANDS,
THE SAME COMMITMENT.

INDUSTRIES

OUR COMMITMENT

HIGH PERFORMANCE BEARINGS WITH THE BEST SERVICE.

RESISTANCE AND EFFICIENCY

Smaller size, lower friction and higher load capacity.

We continue working on improvements in the design, raw materials and manufacturing processes to provide ever more resistant bearings with higher load capacity; more efficient in order to reduce energy consumption.

In addition, throughout the manufacturing process, we have rigorous quality controls which guarantee the superior performance of our products.

FERSA CARE: CUSTOMER SERVICE AND TECHNICAL SUPPORT

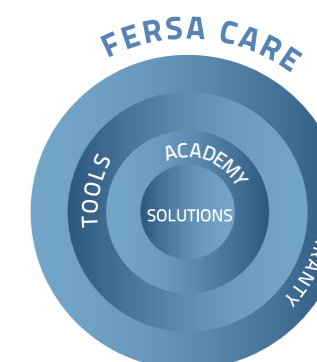

This service includes:

Fersa Solutions: detailed information on product applications.

Fersa Academy: training and best practices in product assembly.

Fersa Tools: additional tools and components for optimized installation and maintenance.

Fersa Warranty: assistance and expanded coverage of certified workshops.

PARTNERS FOR SUCCESS

We adapt to you, your market and your customers.

Working as a team with us, is the key for your success. We listen to your needs, provide technical and commercial support, and guarantee an excellent after-sales service. That is why the best distributors choose us.

MORE THAN 50 YEARS OF MANUFACTURING EXPERIENCE BEHIND US.

INNOVATION CAPABILITIES

Today, the bearings of tomorrow.

The firm commitment to research and innovation is one of the main characteristics that define us. This has positioned us as a global producer of bearings, offering advanced patented solutions for the global automotive and industrial markets.

OEM / TIER ONE SUPPLIER

OEMs trust

We are certified suppliers to OEMs and Tier-One manufacturers of axles and transmissions around the world.

Dana / Meritor / ZF

FERSA BEARINGS IS A SPANISH MULTINATIONAL COMPANY DEDICATED TO THE DESIGN, DEVELOPMENT, MANUFACTURE AND DISTRIBUTION OF COMPLETE SOLUTIONS WHERE HIGH PERFORMANCE BEARINGS ARE NEEDED.

ABOUT US

HIGH PERFORMANCE & MORE EFFICIENCY
